#### Sign up for an Account

Our Summer Reading program is online this year. The first thing you'll need to do is sign up for an account. If possible, please include your e-mail address and phone number in case your name is drawn for a grand prize!

1. Click **Register an Individual or Family**
2. Answer the prompts to sign up for your account

#### I am Registering Myself

Fill out this form with your information and click **Next**.

#### I'm an Adult Registering a Child

If you are an adult registering a child, the first part of the form requires **your information**. Please fill out your name and information in the boxes provided.

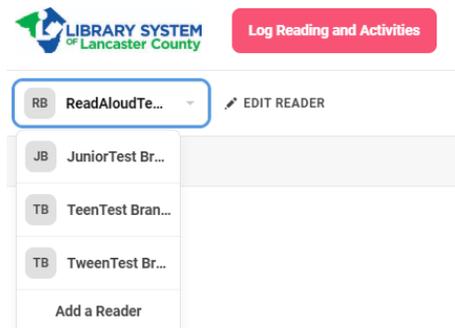

Further down it will ask for the **Reader's Information**. This is your child's information. Please fill it out with the information of whoever is completing the Summer Reading program.

3. After you fill out the forms and click **Next**, you will need to select the program you want to register the reader for
4. Depending on the age of the child, they may qualify for a fitness program. Make sure to click **Select** on all of the programs you want to register the child for

After you complete one child's information, you will be asked if you have more children you would like to register. Repeat this process until you have registered your entire family.

#### Switching Readers

If you have multiple children in your home, you can easily switch between their active reading programs.
