If you are facing eviction and/or utility shut off due to the impact of COVID 19, the Northern Lancaster Hub can help. We received grants from WellSpan Ephrata Community Hospital and the Steinman Foundation to help the community in the Ephrata and Cocalico school districts facing these challenges.

Please fill out the application on our website - www.northernlancasterhub.org. Those living in the Ephrata school district will meet with Ephrata Social Services and those in the Cocalico School District will meet with REAL Life Community Services in Denver to talk about your specific needs. If you have questions about the program, please email Kelly, Hub Coordinator, at northernlanchub@gmail.com.

We at the Ephrata Public Library are deeply committed to your safety and that of our community.

On June 15, the Ephrata Public Library will begin accepting library materials for return in our book drops located on the State Street entrance. Returns will NOT be accepted at the book drop on the Route 272 entrance. We are not charging late fees or fines during this time.

On June 22, Ephrata Public Library patrons will also be able to begin placing holds on items owned by our library, although these holds will not be made through the online catalog as was previously the practice. Please check the catalog to make sure that we own a copy of the item you’d like to reserve.

On June 29, a pick-up locker service, called Library Lockers, will start for patrons to begin accessing library materials. We know that our community will have many questions about how this process is going to work and we have created the following list to help you:

- Our Library Lockers will allow residents of our service area (Akron Borough, Clay Township, Ephrata Borough and Ephrata Township) to reserve books, DVDs and other materials that are on our shelves by calling (717) 347-8356 between the hours 9 a.m.–12 noon, Monday through Friday, or by filling out our online form anytime at www.ephratapubliclibrary.org/covidholds. We will NOT be using the online catalog for holds in this initial phase of service. Orders will be limited to 5 items.
- We will notify you via phone when your Library order is ready. You may then set up an appointment to pick up your materials at the Library. Materials will be in numbered lockers at the entrance of the Library facing State Street.
- Patrons who are coming to pick up materials must wear a mask and practice appropriate social distancing. Signs will direct patrons to the pickup point.
- When you arrive at the Library, go to the State Street side entrance and you will see signs for the Library Lockers. Go to the locker you were assigned for pickup and your items will be ready. You will not have contact with staff – your materials will already be checked out and your receipt will be in your locker.
- If you are physically unable to walk to the Library’s entrance, please
LIBRARY INFORMATION

bring someone with you who can do it for you. Staff will be unable to assist. Please note that all of these dates and actions are specific to Ephrata Public Library. Other libraries in Lancaster County will have different schedules and different processes, so be sure to check with your local library before visiting.

The Ephrata Public Library librarians and library staff are dedicated to serving the public and have been working during the shutdown to provide remote services. Please be patient as Library staff work to process the backlog of materials returning from within the community. All returned materials will be quarantined for at least 5 days before they are available for check in and processing. That means it will take up to a week for materials you have returned to be removed from your account. Additionally, please be aware that when we are able to open our Library buildings to the public, we will likely have to limit how many people are in the Library at any given time.

These are challenging times and the employees of the Ephrata Public Library are ready to accept this new challenge to help the communities that rely on us. We hope that the Library can be a way for Ephrata area residents of all ages to experience a small bit of normalcy by curling up with a book from the Library.

The Sacred Geometry of the Ephrata Cloister

The buildings at Ephrata do not appear to have been constructed with a Master Plan in mind, but Conrad Beissel and some of his followers, organized some of their space and time around Beissel’s mystical language and beliefs. “The Overnighters”
Chasing the American dream, thousands of workers flock to a North Dakota town where the oil business is booming. But instead of well-paying jobs, many find slim work prospects and a severe housing shortage. Pastor Jay Reinke converts his church into a makeshift dorm and counseling center, allowing hundreds of men, some with checkered pasts, to stay despite the congregation’s objections and neighbors’ fears. When opposition to the “overnighters” reaches a boiling point, Pastor Jay makes a decision with shattering consequences. A modern-day Grapes of Wrath, “The Overnighters” tells an electrifying story about the promise of redemption and the limits of compassion. Winner, Special Jury Award for Intuitive Filmmaking: Documentary, 2014 Sundance Film Festival.

Thu., July 23, 3 p.m.
POV Documentary Screenings

“15 To Life”
Directed by Nadine Pequeneza. Does sentencing a teenager to life without parole serve our society well? The United States is the only country in the world that routinely condemns children to die in prison. This is the story of one of those children, now a young man, seeking a second chance in Florida. At age 15, Kenneth Young received four consecutive life sentences for a series of armed robberies. Imprisoned for more than a decade, he believed he would die behind bars. Now a U.S. Supreme Court decision could set him free. 15 to Life: Kenneth’s Story follows Young’s struggle for redemption, revealing a justice system with thousands of young people serving sentences intended for society’s most dangerous criminals.

Thu., July 30, 3 p.m.

“Portrait & Dreams”
Directed by Wendy Ewald and Elizabeth Barret. Wendy Ewald’s book “Portraits and Dreams” captured photographs made by grade-school students in rural Kentucky in 1975. Using the book as its centerpiece, the documentary looks back at the children, their photographs stories, and where they are now in their lives. A co-production with Appalshop and the Corporation of Public Broadcasting.

Wed., Aug. 5, 1 p.m.
POV Documentary Screenings

“After Tiller”
Directed by Martha Shane and Lana Wilson. “After Tiller” is a deeply humanizing and probing portrait of the only four doctors in the United States still openly performing third-trimester abortions in the wake of the 2009 assassination of Dr. George Tiller in Wichita, Kansas — and in the face of intense protest from abortion opponents. It is also an examination of the desperate reasons women seek late abortions. Rather than offering solutions, “After Tiller” presents the complexities of these women’s difficult decisions and the compassion and ethical dilemmas of the doctors and staff who fear for their own lives as they treat their patients. Official Selection of the 2013 Sundance Film Festival.

Thu., Aug. 6, 3 p.m.

“Whose Streets”
Directed by Damon Davis and Sabaah Folayan. When unarmed teenager Michael Brown is killed by police and left lying in the street for hours, it marks a breaking point for the residents of the St. Louis area and beyond. “Whose Streets?” is an unflinching look at the Ferguson, Missouri uprising. As the national guard rolls in, a new generation mounts a powerful battle cry not just for their civil rights, but for the right to live. Official Selection, 2017 Sundance Film Festival.

Mon., Aug. 10, 6 p.m.

“Through the Night”
“Through the Night” is a verité documentary that explores the personal cost of our modern economy through the stories of two working mothers and a child care provider, whose lives intersect at a 24-hour daycare center in New Rochelle, New York. Official Selection, Tribeca Film Festival. A co-production of POV and ITVS in association with Latino Public Broadcasting and Black Public Media.

Wed., Aug. 12, 1 p.m.
POV Documentary Screenings

“Tough Love”
Directed by Stephanie Wang-Breal. What makes a good parent? How do you prove you are responsible after you’ve been deemed unfit? Having lost custody of their children to Child Protective Services, two parents — one in New York City and one in Seattle — fight to win back the trust of the courts and reunite their families in Stephanie Wang-Breal’s moving film. Acknowledging their past parenting mistakes due to poverty, poor choices and addiction, both Hannah and Patrick contend with a complex bureaucracy to prove they deserve a second chance. A co-production of ITVS. A co-presentation with the Center for Asian American Media (CAAM).

Mon., Aug. 17, 6 p.m.

“Our Time Machine”
Directed by Yang Sun & S. Leo Chiang. When artist Maleonn realizes that his father suffers from Alzheimer's disease, he creates “Papa’s Time Machine” — a magical, autobiographical stage performance featuring life-size mechanical puppets. Through the production of this play, the two men confront their mortality before time runs out and memories are lost forever. 2019 Tribeca Premiere.

Wed., August 19, 1 p.m.
POV Documentary Screenings

“The Grown-Ups”
Directed by Malte Alberdi. In a school for individuals with Down Syndrome, four middle-aged friends yearn for a life of greater autonomy in a society that marginalizes them as disabled. “The Grown-Ups” is a humorous and at times sad and uncomfortable look at the tragic limbo of conscious adults. Winner, Best Female-Directed Film at the 2016 International Documentary Film Festival Amsterdam. A co-presentation with Latino Public Broadcasting (LPB).
Mon., Aug. 24, 6 p.m.

“The Apology”
Directed by Tiffany Hsiung. The Apology follows three former “comfort women” who were among the 200,000 girls and young women kidnapped and forced into military sexual slavery by the Imperial Japanese Army during World War II. Seventy years after their imprisonment and after decades of living in silence and shame, the survivors give their first-hand accounts of the truth for the record, seeking apology and the hope that this horrific chapter of history not be forgotten. A co-presentation with the Center for Asian American Media (CAAM).
Mon., Aug. 26, 1 p.m.

“Lindy Lou, Juror Number 2”
Directed by Florent Vassault. For 20 years, Lindy has lived with an unbearable feeling of guilt. Committed to fulfilling her civic duty, Lindy sat with 11 other people on a jury that handed down the death penalty to a Mississippi man convicted of a double homicide. An overwhelming feeling of regret compels Lindy to track down her fellow jurors. A conservative, religious woman from the South, she manages to tackle this topic with humor, an open mind and sincere curiosity.
